

WBS impacts people's lives ...

Read testimonials of the impact WBS has had on the lives of people around the world.

“One of the most exciting stories I know about WBS is my own conversion! I went to a WBS meeting hoping to receive a WBS badge. I actually began studying the lessons and soon accepted Christ as my Lord! Since then I have grown to become a preacher and a zealous WBS worker and by God’s grace. Today I serve directly with WBS organizing follow up in Sierra Leone, The Gambia and Liberia, where we have offices and many follow up workers laboring for the Master, using WBS to reach the lost.”

Isaac Daye
Sierra Leone

“Thank you, WBS teacher, for bringing this precious soul—*me*—to Jesus through WBS lessons! It is interesting that God makes the world smaller for His workers in the Kingdom to reach others.”

Osei Aboagye
Nigeria

“Thank you for the WBS studies, so needed in this Muslim land. I have baptized my family and my friend, Farhun. I have many other people here that want to study the Bible with me.”

Abdulkadir
Somalia

“As a young man, my friend gave me a WBS lesson. My WBS teacher, a true disciple of Christ, helped me with my lessons. By God’s grace, I began to diligently study the Bible. I then repented of my sins and was baptized into Christ. I

give glory and honor to our God for saving my soul! May God bless all WBS teachers for carrying out the Great Commission of our Lord and Savior, Jesus Christ”

George Danquah
Ghana

“I want to thank WBS very much for the courses, for they have opened my eyes and challenged me immeasurably. Thank you for your time and money you have sacrificed to ensure that the Word of God is spread to all corners of the world.”

Michael Kochuma
South Africa

“I have completed the WBS lessons and am so appreciative. These books are very much useful to me. They are my textbook to announce that Jesus is the Son of God and that God is the Creator of the universe. The very most important thing in my life is leading souls to know Jesus and to have the hope of eternal life.”

“My WBS teacher, had the patience of a fisherman and after seven years it yielded reward! She sent a WBS course to me when I was a Muslim. When I started studying the Bible I found myself excited. I continued investigating—and arguing with my WBS teacher! Finally, I was baptized into our Lord Jesus Christ! Since, I have graduated from the School of Biblical Studies in Jos. There are not enough words to say thank you to

all those using WBS as a tool for evangelism. Let me remind you that your labor of love is not in vain. Be patient and continue to cast your nets—because the day of your sailing home with a big catch for the Lord is on its way! And thank you!”

Ibrahim G. Nyamor
Nigeria

“When I was fifteen, I started studying the Bible with my WBS teacher. She has taught me and taken care of me until now. She is the best thing that has happened to me because she showed me the love of God, and now I am a Christian. I will never let her or the Lord down. I study God’s word every day from the Bible she gave me. The happiest day of my life was the day I gave my life to Christ! Thank you very much for the great work you are doing for the Lord and for WBS students.”

Simeon Ashalley
Ghana

“I was one of those people who strongly disbelieved the teachings of Christianity. After studying the Bible with my WBS teacher, I found peace and deliverance from sin by giving my life to Jesus in baptism. I thank God Almighty for all you have done in my life. I have to say that perhaps I wouldn’t be alive today if God hadn’t saved me through you. You came into my life and changed me from my wicked ways at a time when I thought life had no more meaning for me.”

Boma Emmanuel Orupado
Nigeria

“At the age of twelve, someone gave me the name and address of a WBS teacher. I started studying. The teacher encouraged me and helped me learn great things about the Bible and the love of God. I then became a Christian. God has given me the opportunity to be trained and to teach others about the Word of God. I want to broadcast to others the wonderful things that the Lord has done for me and my family! I am so thankful to WBS and all of the teachers who give of their time so sacrificially!”

Susie Larty
Ghana

“Dear WBS teacher, you are my spiritual mother! I appreciate our spiritual relationship more than materialistic and earthly things. I want to thank you very much because through your ministry, evangelism, instruction, prayer, love, and example, I came to know Jesus Christ as my personal Savior and Lord, for which I shall forever be grateful!”

Mefine Senbet
Ethiopia

“Because I studied WBS lessons, I was baptized. I began to study harder and my WBS teacher saw to it that I was enrolled in a school of preaching. I have been a gospel preacher ever since, and since then have established fourteen congregations. I am now married to a wonderful Christian lady and have two beautiful daughters. I cherish WBS and all of their faithful teachers who do not give up on us. I am so grateful to the Lord Jesus Christ that I am Christian!”

John Nat Kissi
Ghana

“Even though my home was a jail cell, I wanted to study the Bible with WBS. Upon my release, I was baptized into Christ. Before long, I broke another law and found myself back in jail. But I prayed to God and I know He has forgiven me. I want to be a faithful Christian for the rest of my life.”

Charles Jones
USA

“I am very happy with my WBS teacher. She is very special to me! I just love her. I believe Jesus sent her my way to show His Word to me. She makes the Bible lessons simple for me to understand. Thank you for showing her to me. She’s taught me a lot and I’m getting closer to God.”

“God bless WBS!

For it was WBS that offered me the truth. They offered no earthly gifts or prizes, nor do they offer worldly wealth. But they were offering me something special, valuable. Something that my parents or anybody on earth could not have given me.

Something I was looking for though I didn’t know the power of it, the value of it. And the thing was the good knowledge of the Bible. It was the treasure that everybody was seeking.

I was also desperately seeking it. And thanks be to God and WBS— for I found it through Him.”
